BY CATHERINE BAUM STAFF WRITER

How area schools compare on student tardiness problem since start of the 2007-2008 year.

	Easthampton High	Northampton High	Hampshire Regional	Amherst Regional
Tardies*	1,842	1,332	1,539	4,892
Tardiness rate**	4.2%	1.8%	2.2%	4.6%
Enrollment	530	904	830	1,234

\* As of Jan. 17, 2008

\*\* Since not all schools have been in session the same number of days, this was calculated by dividing number of tardies into the number of "student days," which were produced by multiplying enrollment by days in session.
